From Their Excellencies

Greetings from Kjartan & Ysoria!

We have been getting back into the swing of things these last few months. Her Excellency has been finally able to start dancing again after being unable to due to injury for quite a while. His Excellency has been able to travel to several events participating in armored combat and music. It has been great to see friends both old and new.

Do you have something you loved to do and for some reason haven't been doing it lately? Consider picking it back up and enjoying it again! It is so easy to drop things and get caught up with things that you have to explicitly make time for the things you like to do.

His Excellency has also recently tried his hand at a couple of new arts:

a bit of painting and finger loop braiding. While he is not good at either, both are easily approachable for the novice. The finger loop braiding is also something that some of the kids that have visited meetings lately have enjoyed.

Coming up in December, planned for the 7th, is our Yule Court. While we are still looking for an Event Steward for this event, we hope to see all of you there for some holiday fun!

Kjartan & Ysoria

FROM THE SENESCHAL OF COEUR D'ENNUI

Greetings unto the Barony of Couer d'Ennui are sent from HE Hugh du Puy, Senechal

Hello. As I step into this position, I am hopeful we can make strides into growing and strengthening the Barony. I feel we need to work together to be welcoming to all and to make us a place for others to want to visit.

We have a bid in for Crown Tourney for next fall. If we get the bid approved by the Kingdom, we will all need to work hard to make the event successful. Master Edward has found a suitable site. Coinneach has begun planning a special feast. The rest of us will need to step up to make this work.

We are working on trying to find suitable mats for indoor fighting. A few ideas have been presented. When budget is approved, a few pieces will be acquired for testing purposes. Fighting has moved indoors to Crossroads Park elementary school on Monday evenings. 630pm to 9pm. Please contact Rurik if loaner gear is needed a few days in advance.

Mistress Virag has been working hard on Arts and Sciences. She needs your assistance on class desires and help teaching. She cannot do it all.

Thank you everyone for all you do.

In service,
HE Hugh du Puy
Senechal
