

# Boar's Snore

Issue - 2nd Quarter, 2017

*Unto the populace of the Canton and Barony We give Greetings, We hope this missive finds you well and safe.*

*The seasons turn and the time of Spring has arrived. The Barony and Canton both are now in the process of moving our gatherings to the great outdoors. The Barony has moved our meeting day from the Thursday of last Winter to Monday. This will be the day and time for all our gatherings, whether Fighter Practice, A&S, Potluck or the meetings of the Populace. The current site for our meetings is McHenry Park in Des Moines from 6:30 until dark. We hope to see you all there*

*At the recent Kingdom A&S members of the Canton have done well, with Leather Mallets being awarded to Amon, Zaneta and Amy. Please join Us in congratulations and appreciation of the work they have done to make our Society greater and more beautiful.*

*On the subject of events, the Kingdom has many events in the coming months. There is Unshung Heroes in Aston Tor, Melon Wars in Flinthyll, War College in AmlesMore, all within hours of Our lands in the next few weeks. We encourage all to attend and appreciate the hospitality of these groups.*

*In other news our Seneschal Cisco Francisco is, due to mundane reasons, leaving our group. He will be moving out of the Kingdom in the near future and we hope he finds success wherever he goes. He has been a faithful companion and friend and he will be missed. Because of this we have an opening for the position of Seneschal. If you are interested please contact us as soon as possible.*

*Until next we meet, be safe, be happy, be kind*

*Yours in Service,*

***Gian and Tatiana***
