The Boar Snore

4TH QTR 2016

Unto the populace of the Barony of Coeur d'Ennui and the Canton of Axed Root come greetings and salutations.

The season of Fall enfolds Us as We gather our harvests and prepare for the coming cold of Winter. The trees are donning their festive garb, and the sight of a land settling in to rest greets us as we travel. The future will hold more cold and an eventual cover of white, but for now it is a pleasant coolness that we can and should enjoy to the fullest as we prepare for the Winter to come.

The past few months have been busy, and we have been grateful for all the work that has been done to showcase the generosity and hospitality of these Lands to Our friends both near and far. In recent months we have played host to the Kingdom for the Coronation of the sitting Crown of Calontir, Logan and Ylva. We have also hosted the festival of Queens Prize and held the Golden Thimble/Regional Fighter practice. In addition, Axed Root held the Known World Fiber Arts Symposium - day of learning and exploration of all things fiber. All these events were successful and it was gratifying to see all the hard work our populace put into being the gracious hosts to all our friends and family

Going forward we have more local events coming, and we encourage all to attend. We will be hosting the annual Baronial Yule Court on December 3rd and it is our hope that all who read this can attend. It promises to be a good day of camaraderie, fun and good food

Other upcoming events that we hope all can attend are Toys for Tots in Wyvern Cliff on November 19th and 20th and Kris Kinder in Forgotten Sea on December 10th and 11th. Both of these are major Kingdom events and it is a chance to meet and greet people from all parts of both the Kingdom and Society.

In closing we would like to again thank all that helped make this busy year a success. It is only through your hard work that we succeeded and will continue to succeed in the future. Thanks to you all and we hope this Holiday season is a safe and enjoyable for one and all.

Yours in Service

Cian and Tatiana, Baron and Baroness of Coeur d'Ennui

From the Seneschal

We are looking for a Chronicler. We'll likely start interviews towards the end of this month or early next. We want to have someone selected before the end of the year and we'll help you get set up and started with all of the necessary stuff. Let myself or Baroness Tatiana know if you're interested.

There has been some confusion about that financial stuff so I wanted to try and clear that up. The financial decisions of the barony are officially decided by our financial committee, which consists of the seneschal (me), exchequer (Zach), and one of the baronage (Tatiana). Any financial stuff will be discussed in at least two meetings, we'll ask for input, and our votes will be public. It's not a closed meeting and we seek transparency in financial matters. I believe there was a previous policy that was unclear as to whether or not financial matters (or meetings) are closed. They are open. If you have any questions, please come chat with me.

Cisco
