The Boar Snore

2ND QTR 2014

From the Baronial Seneschal

Unto the members of the populace of the Barony of Coeur d'Ennuï comes greetings from Edward Blythe, seneschal.

An eventful quarter now lies behind us and as the Barony moves forward I am happy to be a part of this great barony.

In the coming months the Barony has many things going on. On May 3rd at the Holiday Inn Northwest, we will be holding a demonstration table at Demicon. Demicon is the local Science Fiction Convention held here in Des Moines. The table opens at 8 AM and goes until 5 PM. I will have sign-up sheets available over the next month.

Just the next weekend is our event, Warrior Child, I strongly encourage everyone to help where and when they can. I'm sure that Zach will have sign-up sheets over the next month as well.

Shortly after that is the Lilies War, have fun and if you've never been to Lilies before feel free to ask me any questions you may have.

From the Knights Marshall

Unto the Populace of the Barony of Coeur d'Ennuï and the Canton of Axed Root

With the turning of the seasons it is again time for us to move from our indoor fighter practice to an outdoor site.

For the time being we will continue to hold practices on Mondays and will use the McHenry Park site on the North side of Des Moines. This park can be found on Oak Park Avenue between 11th and 8th streets. Practices will run from 6:30 pm until it is too dark every Monday going forward, barring weather or other circumstances. Any changes in day, time or site will be published using all media available, including the yahoo groups, website and Facebook and Snored. Notifications of cancelation will be published using all available channels and I ask that in this circumstance that word be spread by any means possible.

I am still looking for input as to the schedule that works best for our populace and wish to get a broader input before making any decisions. If you have an opinion, or even if you do not, please contact me either in person or via email. I will continue to take input until the end of April, at which time a final decision for the spring and summer months will be made and published. My email address is cian.mac.curoi@gmail.com and I look forward to any and all input.

Thank you for your time.

In service,
Cian mac Cu'Roi'
