Missive from Their Royal Majesties

**Unto the members of the populace of the Barony of Coeur d'Ennui do Martino IV and Ariel send greetings.**

Good people,

At Coronation, Their Excellences, Arthur and Gracye, the Baron and Baroness of Coeur d'Ennui asked to be released from service. To that end We announced in court that We will be seeking their replacement.

If you are interested in serving your Barony in the capacity of Baron or Baroness, please send Us your letter of intent by January 31, 2014. We will announce Baronial candidates at Our court at Clothiers and call for commentary from the populace at that time. It is Our intent to interview all candidates on February 15, 2014 at the Gathering of the Chieftains in the Barony of Three Rivers. If a candidate is unable to attend this event, they should please contact Us so other arrangements can be made.

The most important part of this process is the commentary of the people of Coeur d'Ennui. We ask you to review each of the candidates in your minds and hearts and write Us with your opinions of who would best serve the Barony of Coeur d'Ennui. All commentary is welcome, so please send Us your thoughts and perspective. We would like to have these letters in hand no later than March 1, 2014.

If you have any questions or concerns about this process please contact Us privately at [falcon-crown@calontir.org](mailto:falcon-crown@calontir.org)

Thank you for your continued service to your barony and the kingdom.

From the Baron and Baroness of Coeur d'Ennuï

### **Greetings good populace of these fine lands.**

As most of you should know by now, Her Excellency and I have announced our intentions to seek our successors. Now is a time for the Barony to come together and search deep within ourselves. If you feel drawn to run for this office, it is a remarkable opportunity and we would encourage you to do so. Yet it is a time not only for those that decide to run, but for all of us to help decide the path of this wonderful Barony.

Give to thought the direction that you would like to see the Barony go, things that you would like to see change and things you want to see continue. Once the announcement has been made on the new candidates, please let their Royal Majesties know your thoughts and feelings on the candidates and how they each could grow Coeur d'Ennuï.

It is looking like February's court will actually be mostly a group All-thing. What this means is that their Majesties are hoping to be here to further hear your thoughts on what this Barony needs to grow and what interests are best for the Barony. Their Majesties are making the trip to hear so they can make the best decision. We thank them greatly for this and hope to see as many of you there as possible. Watch for more information as we get it.

Meanwhile, on to more fun things! There are still many events between now and then. Events not only nearby, but HERE! Yes, Warrior Child II is coming and we have some awesome ideas this year that I think will be fun for all and be a real draw for attendance. This is our time to shine!

As always, in service.

**Baron Arthur and Baroness Gracye**

From the Chronicler

### **Greetings from Tatiana, Baronial Chronicler.**

As of February, I am taking on the position of Chronicler for our Barony. Note that the Boar Snore will go from being a monthly publication to a quarterly publication, with the next issue coming in April. Issues will be available electronically on the Baronial website, and hard copies will be available at our Arts and Sciences meeting the first Monday of April, July, and October. If you would like hard copies mailed to your home address, please contact me to make arrangements.

At this time, I am in need of the assistance of artisans, officers, and anyone willing to submit articles to the Boar Snore. Those with skill at drawing, delight us with your talents and submit your artwork to the Snore. Officers, tell us of the happenings in your appointed office, so that we may be better informed. Those who practice a skill such as sewing, woodworking, pottery or any other handicraft, share your knowledge of your art or science with an informative article. If you are a cook or brewer, please send me your recipes so that all may recreate your tasty dishes. Bards, if you have a song, a verse, or a story, pray enthrall us with your wordplay.

We have a plethora of talented gentles among our populace. Please considering sharing what you know or do so that we all may grow.

In Service,

**Tatiana**
